

GREEN THUMB

► **The American Center** in collaboration with the NGO "The Jungles" will host a program that focuses on honouring guards who protect wildlife in commemoration of World Environment Day. The program will start with screening of the film *Big Cats* hosted by Wildlife Alliance co-founder Steve Galster. The film is part of Animal Planet's documentary film series *Crime Scene Wild*. The program will also include the announcement of the 5th Green Guard Awards by "The Jungles" and presentations by eminent personalities. June 10 Contact: 3984-6327 or singhkx@state.gov
